

The summer months mean many floral consumers' thoughts turn to glads. One producer who stands out from the competition is Donald Mayer Glad Farms, known for the exceptional quality and consistency of their glads since 1940.

**Good Bulbs, Good Glads...**

One of the keys to growing a superior gladiola is starting with premium bulbs. Donald Mayer's uses only the best bulbs, carefully selecting them for size, performance, long vase life, and striking colour.

**Grading and Quality Inspection**

All Donald Mayer glads are strictly graded by size and quality inspected before each shipment to ensure straight stems, tight cut stage, clean foliage and proper colour mix per box.

**Colour, Colour, Colour!**

Great colours sell glads! With a broad range of exclusive varieties, each box of Donald Mayer glads contains up to 10 colours and 15 different varieties including a wide range of distinctive 'novelty' varieties. All of this at a very affordable price!
